INFORMATION / DECISIONS

No.	ITEM
1	Project update
2	No test Google accounts available, test using personal or dummy accounts
3	Algorithm still unintegrated into Web App, need to choose one of the two in development
4	Use the default plan as the base plan, this can be assumed to always be correct
5	Exemptions are limited on a per course basis, this needs to be allowed for in the database
6	Storing exemptions is not a requirement, but should be listed on the final study plan
7	For the Software Engineering degree the course structure is quite different
